

BCG vaccine

Section

Recommendations for all immunization programmes
All vaccines should comply with the WHO requirements for biological substances.

Indications

Need for immunization against tuberculosis

Japanese encephalitis vaccine

Section

Recommendations for certain regions
All vaccines should comply with the WHO requirements for biological substances.

Indications

Need for immunization against certain single viral diseases

Cholera vaccine

Section

Recommendations for some high-risk populations
All vaccines should comply with the WHO requirements for biological substances.

Indications

Need for immunization against cholera alone

Dengue vaccine

Section

Recommendations for some high-risk populations
All vaccines should comply with the WHO requirements for biological substances.

Indications

Need for immunization against certain single viral diseases

Diphtheria vaccine

Section

Recommendations for all immunization programmes
All vaccines should comply with the WHO requirements for biological substances.

Indications

Need for immunization against diphtheria alone

Diphtheria-pertussis-tetanus vaccine

Section

Recommendations for all immunization programmes
All vaccines should comply with the WHO requirements for biological substances.

Indications

Need for immunization against diphtheria-tetanus-pertussis, combined

Diphtheria-tetanus vaccine

Section

Recommendations for all immunization programmes
All vaccines should comply with the WHO requirements for biological substances.

Indications

Need for immunization against combinations of infectious diseases

Haemophilus influenzae type b vaccine

Section

Recommendations for all immunization programmes
All vaccines should comply with the WHO requirements for biological substances.

Indications

Need for immunization against single bacterial diseases

Hepatitis A vaccine

Section

Recommendations for some high-risk populations
All vaccines should comply with the WHO requirements for biological substances.

Indications

Need for immunization against viral hepatitis

Hepatitis B vaccine

Section

Recommendations for all immunization programmes
All vaccines should comply with the WHO requirements for biological substances.

Indications

Need for immunization against viral hepatitis

Human papilloma virus (HPV) vaccine

Section

Recommendations for all immunization programmes
All vaccines should comply with the WHO requirements for biological substances.

Indications

Need for immunization against certain single viral diseases

Influenza vaccine (seasonal)

Section

Recommendations for immunization programmes with certain characteristics
All vaccines should comply with the WHO requirements for biological substances.

Indications

Need for immunization against influenza

Measles vaccine

Section

Recommendations for all immunization programmes
All vaccines should comply with the WHO requirements for biological substances.

Indications

Need for immunization against measles alone

Meningococcal meningitis vaccine

Section

Recommendations for some high-risk populations
All vaccines should comply with the WHO requirements for biological substances.

Indications

Need for immunization against single bacterial diseases

Mumps vaccine

Section

Recommendations for immunization programmes with certain characteristics
All vaccines should comply with the WHO requirements for biological substances.

Indications

Need for immunization against mumps alone

Pertussis vaccine

Section

Recommendations for all immunization programmes
All vaccines should comply with the WHO requirements for biological substances.

Indications

Need for immunization against pertussis alone

Pneumococcal vaccine

Section

Recommendations for all immunization programmes
All vaccines should comply with the WHO requirements for biological substances.

Indications

Need for immunization against single bacterial diseases

Poliomyelitis vaccine

Section

Recommendations for all immunization programmes
All vaccines should comply with the WHO requirements for biological substances.

Indications

Need for immunization against poliomyelitis

Rabies vaccine

Section

Recommendations for some high-risk populations
All vaccines should comply with the WHO requirements for biological substances.

Indications

Need for immunization against rabies

Rotavirus vaccine

Section

Recommendations for all immunization programmes
All vaccines should comply with the WHO requirements for biological substances.

Indications

Need for immunization against certain single viral diseases

Rubella vaccine

Section

Recommendations for all immunization programmes
All vaccines should comply with the WHO requirements for biological substances.

Indications

Need for immunization against rubella alone

Smallpox vaccine

Section

Recommendations for all immunization programmes
All vaccines should comply with the WHO requirements for biological substances.

Indications

Need for immunization against certain single viral diseases

Tetanus vaccine

Section

Recommendations for all immunization programmes
All vaccines should comply with the WHO requirements for biological substances.

Indications

Need for immunization against tetanus alone

Tick-borne encephalitis vaccine

Section

Recommendations for certain regions
All vaccines should comply with the WHO requirements for biological substances.

Indications

Need for immunization against arthropod-borne viral encephalitis

Typhoid vaccine

Section

Recommendations for some high-risk populations
All vaccines should comply with the WHO requirements for biological substances.

Indications

Need for immunization against typhoid-paratyphoid alone

Varicella vaccine

Section

Recommendations for immunization programmes with certain characteristics
All vaccines should comply with the WHO requirements for biological substances.

Indications

Need for immunization against certain single viral diseases

Yellow fever vaccine

Section

Recommendations for certain regions
All vaccines should comply with the WHO requirements for biological substances.

Indications

Need for immunization against certain single viral diseases
