Age	Adolescents and adults
Therapeutic alternatives	The recommendation is for this specific medicine
Patent information	Patents have expired in most jurisdictions Read more about patents.
Wikipedia	Mifepristone - misoprostol
DrugBank	Mifepristone, Misoprostol

Summary of evidence and Expert Committee recommendations

Following recommended changes to Section 22 of the EML, the listings for mifepristone - misoprostol (all indications), and for misoprostol for management of incomplete abortion and miscarriage are moved to the new sub-section for medicines for medical abortion. In addition, the Expert Committee noted the advice of the decision by WHO to remove the boxed text associated with the listing for mifepristone - misoprostol.
