Adolescents and adults

**Therapeutic alternatives**
The recommendation is for this specific medicine

**Patent information**
- Patents have expired in most jurisdictions
- Read more about patents.

**Wikipedia**
Penicillamine

**DrugBank**
Penicillamine

### Summary of evidence and Expert Committee recommendations

The Expert Committee recommended the listing for penicillamine, as a disease-modifying agent used in rheumatoid disorders, be moved from the core to the complementary list of the EML.
